SPECIAL PIECES

RigeLO is a classic wood effect collection that is versatile enough for most designs. The hues of this collection pay homage to the natural beauty of our forests with cool grey tones and warming hints of brown, replicating both the look and format of real wood planks but with the hardwearing properties of porcelain.

The planks are available in 20x120cm and 15x90cm with mosaic and skirting pieces also available.

RigeLO is rated PTV 36+ shod foot.
